

REMARKS

A Notice of Non-Compliant Amendment alleged Applicant's Preliminary Amendment filed November 12, 2003 did not indicate what, if any, changes were made to original claim 27. Original claim 27 was inadvertently omitted from the preliminary amendment. Original claim 27 was intended to be canceled. New claims 27-49 should have been renumbered as new claims 28-50. The present response to said Notice corrects the aforementioned errors.

Applicant does not believe that any fees are due. However, please charge any additional fees that may be needed, and credit any overpayment, to our Deposit Account No. 50-0320.

Respectfully submitted,
